**Two week Extension Request -Site Investigation Report for  
Perfluorooctanoic Acid (PFOA) DuPont Chambers Works  
Deepwater, New Jersey**

Dear Mr. Faranca:

As I discussed in the telephone message that I left you, we need a two-week extension on the report submittal. Currently, the report is due October 31, 2006, and we are requesting it to be due on November 14, 2006. The report is basically complete, but it must go through extensive internal review before we can submit it.

If you have any questions, either email me at [Albert.J.Boettler@usa.dupont.com](mailto:Albert.J.Boettler@usa.dupont.com) or call me at 302-892-0647.

Very truly yours,
